

NEW POWDER WINDSCREEN CLEANER

MULTI-SEASON UP TO 0°C

WORTH 9 LITERS

CONVENIENCE, PERFORMANCE, COMMITMENT TO THE ENVIRONMENT, NO COMPROMISE!

POWDER WINDSCREEN CLEANER

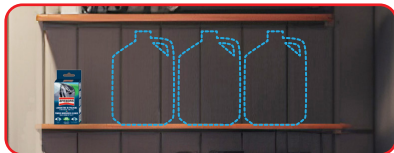

SUPER CONVENIENT:

Packaged in practical sachets, this innovative product offers incredible value for money: **three sachets are equivalent to 9 litres of ready-to-use windscreen cleaner liquid.**

EASY TO STORE:

Thanks to its compact design, it **takes up very little space**, perfect for storing in the garage or in the trunk of the car, without cluttering up.

COMMITMENT TO THE ENVIRONMENT

The pack is made by **reducing the consumption of plastic by 98%** compared to 2 4.5L canisters of windscreen cleaning fluid. Thanks to its small size, transporting this product generates **98% less CO₂ emissions**** than its already diluted equivalent.

PLASTIC*

FROM CO₂ FOR TRANSPORT**

*compared to two 4.5 L windscreen cleaning canisters (1 sachet = 2 canisters)
**compared to lorry transport of the already diluted equivalent (1 sachet = two 4.5 L canisters) per 100 km

EASY TO USE:

Fill up a canister with 3 litres of tap water.

Pour the entire contents of one sachet into the canister.

Shake until all the powder is melted.

Pour the liquid into the washer fluid tank.
