INTERIOR FINISH

BIG BANG

UNIVERSAL INTERIOR DETAILER

Universal antistatic cleaner for glass and interiors.

Directions for use:

- Spray the product onto a soft, clean cloth.
- Wipe over the surface to be treated.
- Let it dry.

SUPERNOVA

LEATHER CLEANER & CONDITIONER

Cleaner and extra-nourishing for leather interiors that shine.

Directions for use:

- Spray the product onto a clean cloth
- Spread it evenly over the entire surface.
- Allow to dry.

BLIZZARD

DASHBOARD SHINE & CLEAN

Renews, protects and cleans dashboards and all plastic, leather, imitation leather and rubber surfaces. It renews the treated area by enhancing the original colour, making it smooth and silky to the touch.

Directions for use:

- Spray the product onto a clean cloth
- Spread it evenly over the entire surface.
- Allow to dry.

GEYSER

STAINS REMOVER ULTRA

Super cleaner with anti-stain shield effect.

Directions for use:

- Spray on the surface to be treated.
- Wipe and rub with a small brush.
- Rinse with clean damp cloth.

HELPFUL TIPS FOR INTERIOR WASHING.

> Vacuum first.

Remove crumbs, dust and debris with a car interior vacuum cleaner.

> Microfiber cloth.

Use microfiber cloths to clean plastics, dashboards and seats, avoiding scratches. When cleaning windows, use a clean cloth to avoid the formation of rings.

> Attention to detail.

Pay attention to details such as crevices and spaces between seats, where dust can collect.

> Avoid excessive use of water.

Do not overuse water to avoid excessive damage to components and the formation of mold.

HELPFUL TIPS FOR EXTERIOR WASHING.

> In shade washing.

Avoid washing the car in direct sunlight, preferring a shady area. Water that dries quickly can leave stains.

> Use a bucket with two tubs.

Use a bucket with two tubs, one for the detergent and one for rinsing the cloth or sponge, to avoid contaminating the detergent with dirt.

> Washing from the roof down.

Start washing from the roof down to avoid rinsing dirt on the already-clean top. Rinse the cloth or sponge often to avoid dragging residue that could scratch the bodywork.

> Accurate drying.

Dry the car with a microfiber cloth to avoid rings of water and prevent the formation of water stains.

DETAILING: UNSTOPPABLE TREND

Today's motorists are increasingly demanding when it comes to how their car looks.

Arexons Pro Car Care products, developed using high-performance technology and with the same obsessive quest for perfection, help you unleash your car's best ever look.

Spray dispenser with
UPSIDE DOWN TECHNOLOGY
which allows you to attack even the most hard-to-reach corners of the bodywork or rims, using every last drop of product.

THE CAR'S
LOOK

EXTREME
CAR CARE

The ultimate range
of professional products
to enhance every aspect
of your car.

PRODUCTS WITH FORMIDABLE PERFORMANCE

Arexons Pro Car Care is the very latest range of products with phenomenal performance: greater efficiency than ever to restore your car and make it shine inside and out.

> **PREMIUM TECHNOLOGY** with professional performances, innovative formulas with ceramic nanoparticles and hi-tech solutions for overwhelming effectiveness on all surfaces.

> **COMPLETE CARE** from prewash to finishing, a range of products specifically designed to clean, revive and protect your car from top to bottom.

FOLLOW OUR 5 STEPS FOR A PERFECT WASHING.

PRE-WASH

WASH

POLISH

INTERIOR FINISH

EXTERIOR FINISH

PRE-WASH

TZUNAMI

BUG & GRIME REMOVER

Indispensable product in the pre-wash phase for the removal of light and diffused deposits of dirt, insects, gnats, resin and stains from all car surfaces.

Directions for use:

- Spray the product
- Leave for about one minute
- Wipe off with a soft cloth
- Rinse.

CYCLONE

EXTREME IRON DECONTAMINATOR

Dissolves ferrous residues and dirt from bodywork, rims and glass. Ultra surface-smoothing action.

Directions for use:

- Dispense the product
- Leave on for a few minutes
- Wipe off with a soft cloth
- Rinse.

WATERFALL

FOAM LIMESCALE REMOVER

Removes, in total safety, limescale stains from bodywork and glass. It also effectively removes surface oxidation, salt residues, saltpeter, rust.

Directions for use:

- Remove coarse dirt beforehand
- Dispense the product
- Leave for a few minute
- Wipe off with a soft cloth
- Rinse.

WASH

VORTEX

WASH & WAX SHAMPOO

High-foaming shampoo with carnauba wax. Ceramic nanoparticles ensure a deep polishing effect and protect the bodywork over time from dust, rain and scratches.

Directions for use:

- Dilute 20ml of product per liter of water
- Wash the car with a sponge
- Rinse.

POLISH

METEOR

CERAMIC GLOSS ENHANCER

Ultra-rapid polishing spray with ceramic nanoparticles and carnauba wax.

Directions for use:

- Spray on dry or wet surface
- Dry and polish immediately.

STORM

CERAMIC ABRASIVE PASTE

It removes marks, surface scratches, rubber or paint residues caused by minor impacts. Suitable for finishing any paint touch-ups on the bodywork and for polishing heavily oxidised paint.

Directions for use:

- Spread with a cloth or polisher
- Polish with a clean cloth
- Complete with DIAMOND.

VOLCANO

CERAMIC SCRATCH RESET

Removes surface scratches from bodywork. Prevents micro scratches thanks to ceramic nanoparticles.

Directions for use:

- Spread with a cotton ball using circular motion
- Remove the product with a cotton cloth.

DIAMOND

CERAMIC BODYWORK BOOSTER

Remove opacity, scratches on the surface and throughout the bodywork.

Directions for use:

- Spread with a cloth or polisher
- Let dry
- Polish with a clean cloth.

FLARE

POWER HEADLIGHT RESTORER

Paste for manually restoring the transparency of headlights in the early stages of matting. Improves headlight brightness during night driving.

Directions for use:

- Pour on a cotton swab
- Rub in horizontal and vertical movements
- Remove with a moistened cloth.

EXTERIOR FINISH

TORNADO

EXTREME PLASTIC RESTORER

Specific product per renewing and protect plastic parts. Black shiny effect.

Directions for use:

- Use the product on the sponge
- Spread evenly on clean and dry parts
- Wipe off excess product with a damp cloth.

BLACK COSMO

DEEP TIRE REGENERATOR

Renews, polishes and protects tires and other rubber parts

Directions for use:

- Clean and dry the treated part
- Apply with a sponge or brush
- Allow to dry.

THUNDER

MAXIMUM HEADLIGHT POLISHER

Ultra-polishing kit with ceramic nanoparticle paste to restore transparency of headlights. Include:

- THUNDER POLISHING: nanoceramic polish to restore moderately to deeply dulled headlights;
- THUNDER LUBE: special lubricant for safe working conditions;
- THUNDER GLOSS: finishing treatment for shining renewed headlights;
- Sanding paper: 3 different grades of sanding paper with Ceramic technology;
- Rubber backing: to work best with sandpaper;
- Wool pad: for professional polishing of the headlight.
